## 2019 Footy tipping knockout competition

First prize is 75% of the pool. Cost of entry is \$5

Circle ONE team you think will win in EACH round from Round 9 onwards. The same winning team can't be chosen in consecutive weeks. If your choice is correct you stay in. If incorrect you're out. If it is a draw you are also out. The winner is the last standing. If at the end of the home and away season there are still live entrants then those involved will be contacted to include the finals series.
